DEPARTMENT OF POLITICAL SCIENCE PARENT-TEACHERS MEET

Sole-17 De 20 412 (Sadiffed die and anos

DESCRIPTION DEPENDENT STATEMENT MATTER DESCRIPTION DEPENDENT DESCRIPTION DE DESCR

Prof. M. Mathakar spoke about the compulsory attendance and discipline to be filtered by the students. TroGOD Reachara linguighted shows the role of either and manufacture about the personality of the students. Soon after teachers' remarks on various aspects of the department, the session was followed by an interaction by the parents. 1. M. Doddmines in advocute by profession and IV sensetier student the frankature composition discuss. Students should find learns to present enabling the studence responsible citizens. Students should find learns to the teachers and attocher and evolute student should find learn to respect at sochars and attocher and evolute student should find learn and evolute the students and was learned and study. In fact, they must have upper for learning. 3. Miss.Neurrylif's Semester Student modely said that I find enquite any organism devolute the student and the ability should that I find enquite and the students have lost the spirit to learn and study. In fact, they must have upper for learning.

as more kaveringful Semisfield's Studenty mother holdly said that I fare enquire boott my wards academic development and the about her health, food etc. Interface, every parent has to without any heatation enquire about the academic evelopment of their ward first. This type of attitude by parent gives a moral apport to the trackets in making the student equire (burger) of the parent gives a moral apport to the trackets in making the student equit (burger) and the student was distributed in the student student and the student was distributed in the student student and the student and the student and ere is nothing to advise.

W Semester student Mass Annapuma Panther's father spoke about the presence and the adherenemes of de insulars and adhend anchana to obtain knowledge from these part tackets:
As an Naparatanama Mass Vignatri's (W Semester Student) unther realised that parents have a respensible role in shaping the personality of the tablets.

reliable the persons have a responsible role in shaping the personality of the states. I. A Remarker Shadent W. Marchi Doodsnaver motifer was quite resulted with expressing here there expressions the had of persons, the sadd, we can be shared the states of the states of the had of persons of source and table background. In fact, I would attract the students to have a state with the states of the states. This type of Seminar system has been quite hapful to the scattering of the states. This type of Seminar system has been quite hapful to the scattering of the states of the the states of the states of the scattering of the states. This type a ferminar system has been quite hapful to the scattering of the states of the the states of the states of the scattering of the states of the states of the states of the states at strengtuing the states at the states of the states at the states of the states of the states of the begin the states and the intervent when this Meet. The students of this Department are quite instates of the scattes of the states of the states at the states. The states at the scattes of the states of the states of the states of the scattes of the scattes of the states of the states of the states of the scattes of the
