Resolutions of the Parents Teachers Meeting held on 26th September 2014, at 4pm in the Department of Library & Information Science Karnatak University, Dharwad

Background :

The meeting started with the welcome address by Dr.B.D.Kumbar Professor and Chairman of the Department. He addressed the gathering about the department activities carried out and also about some of the achievements of students/staff. He also briefed about the facilities extended by the department to the students with regard to their academic pursuit.

After the speech Dr. B.D.Kumbar requested the parents for the interactive session. During the interaction, the parents expressed their happiness and satisfaction about the environment and the facilities extended by the department for the students. The parents also once again appreciated the curriculum and syllabus of the department, which has been updated regularly, according to the changing context and demands from the job market. Some of the parents shared their experience and revealed that they noticed a gradual change in the attitudes among their children, after the joining the M.L.I.Sc course. They expressed that their children are getting more serious on their academics and are developing positive attitude, like discipline, punctuality etc.

Some of the major resolutions/suggestions include:

1. The teachers must try to give individual attention to the students and monitor their progress and if possible inform their respective parents.
2. It was resolved build a strong partnership between the home and the department which will help students succeed in their career, further parents were asked to keep in contact with the department which may provide some insights in turn will help teachers work more effectively for students overall improvement.
3. It was resolved that efforts should be made to focus on the broad range of learning experiences that promote the innovation, creativity, problem solving, collaboration, communication, critical thinking and deep subject-matter knowledge among students
