Extension activities formed part of Diploma Course in Gandhian Studies, though these activities are not sponsored or funded by any external agencies. However it is carried out with the University funding. We associate ourselves with N.G.O's and local youth clubs who partly fund the activities while organizing social service and field work camps.

We conducted a Social-service and Field-work camp at Dhumavad village of Kalgatgi Taluk as part of curriculum. February 2020. Students, members of local youth organisation and the faculty carried out Shramadan(with special emphasis on cleanliness) activities on Gandhian lines and also organised lecture programmes and cultural activities. A major initiative on cleanliness was taken while organising a Social Service Camp at Dummavad village which has a huge tank which was polluted for quite long. Students were involved in the cleanliness drive.
