

Dr, Girish G. Kadadevaru M.Sc. M.Phil., Ph.D .

Associate Professor,
Department of Zoology,
Karnatak University, Dharwad
Vidwan -ID: 237874

Dr Girish G. Kadadevaru completed his post graduation in Zoology from Gulbarga University, Gulbarga with First Rank in the year, 1988 and obtained his M.Phil from the same University in the year, 1990. In September 1990 he joined KLE Society's P.C Jabin Science College Hubballi as Lecturer in Zoology on permanent basis. In 1999 he was awarded UGC FIP fellowship and completed his Ph.D in the year 2002. He has worked in KLE'S Shri Kadasiddeshwar Arts College and H.S Kotambri Science Institute, Hubballi from 2002 to 2004 and 2006-2010. During this period he has worked in different capacities like Head of the Department of Zoology, Placement Officer, IQAC Director. UGC coordinator and NAAC Coordinator. In 2006 he has completed three weeks Mentor Professional training at "Infosys Global Education Center", Mysore and trained several graduate students in life skills and communication skills and organised many campus selections. He has also worked as Head of the Department of Zoology at KLE'S Shri Shivyogi Murughendra Swamiji College , Athani during 2005-2006 and 2011-2013. He has Joined PG Department of Zoology, Karnatak University, Dharwad as Associate Professor in October, 2013. His research areas include Bioacoustics and breeding behaviour, Eco acoustics, Hydro biological studies, Fertility

studies. His group was pioneer in reporting the acoustic studies and breeding behaviour of anurans of Western Ghats. He has published more than 30 research articles in National and International Journals. He has worked as one of the principal Investigator: for UGC-SAP-DSA-I Project in the Department of Zoology, KUD and worked for the project entitled “Bioacoustics and Reproductive Behaviour of Some Birds and amphibians of Western Ghats” He has attended several workshops conferences and seminars and chaired sessions and delivered invited talks. He is member of Society for Study of Amphibians and Reptiles (SSAR), The British Herpetological Society. Ethological Society of India. He has guided seven students for M.Phil, one student has completed his Ph.D (co-guide) and seven students are working for Ph.D under his supervision.
