- ❖ Twenty Research paper publications in National and International Journals and Books.
- ❖ Attended Sixteen National & International conference/seminars and workshop for paperpresentation.
- ❖ Training attended (3).

Administrative achievement

Establishment Of Tribal Museum and Tribal Research Institute Campus:

Karnataka State Tribal Research institute has established a museum to collect and preserve artifacts including agricultural implements, kitchen utensils, bird trapping instruments, musical instruments, flower vases made by bamboo, necklaces made by beads etc. used by 50 Scheduled Tribes.

My Vision: Presently the TRI functioning under rented building at Kuvempu nagar, Mysore. My aim is to establish a independent tribal research institute campus for Tribal museum, (Indoor & outdoor) and Administrative block. In this connection I have been continuously corresponding and communicating with District Administration and Mysore Urban Development Authority.

Finally, The Mysuru Urban Development Authority sanctioned 5168 sq.m. CA-2 site at Treasury Employees Layout (Kergally), Mysuru to KSTRI for construction of Tribal Museum, Training Centre and Administrative Block. As per Government Order, I took initiation to construction work by calling the tender and completing the all formalities through KRIES. Now the construction of building work has been completed under my supervision and it is ready to launch. This is my sincere efforts to give big shape to the Institute.

View Of Karnataka State Tribal Research Intitute, Mysuru.
