Report on Online FDP on 'New Paradigms in Higher Education in India'

A six-day online Faculty Development Programme (FDP) was on organized in collaboration with the Human Resource Development Centre (HRDC), Karnatak University, Dharwad during 2-11-2020 and 7-11-2020. The theme of the FDP was: '*New Paradigms in Higher Education in India*'. The FDP focused on the use of new technology in teaching and assessment; measuring academic foot prints and the implications of NEP. Following was the schedule of the FDP:

| Speaker	Theme	Date
Dr. Dilip Barad Head, Dept. of English, M.K. Bhavanagar University, Bhavanagar, Gujarat	Introduction to Google Educational Tools for Online Remote Teaching	2-11-2020
	Engaging Learners in Online Remote Teaching	3-11-2020
	Online Assessment	4-11-2020
Dr. H.N. Shivaprasad Director, Dr. D.V.H. Institute of Management Education and Research, Dharwad	Flipped and Blended Classroom	5-11-2020
Dr. Gururaj S. Hadagali Associate Professor, Dept. of Library and Information Science, Karnatak University, Dharwad	Academic Footprints	6-11-2020
Dr. M.S. Subhas Former Vice Chancellor VSK University, Ballari	NEP 2020 and its Implications on State funded Universities	7-11-2020

The platform was google meet and every day one lecture session consisting of one hour lecture and half an hour discussion was scheduled. While more than 700 aspirants registered for the programme, the actual attendance varied was more than 400 on each day. The programme

was inaugurated by Prof. K.B. Gudasi, Vice Chancellor, Karnatak University, Dharwad, and Prof. Harish Ramaswamy, Director, HRDC, Karnatak University, Dharwad, was the guest of honor.

On the first day, the academic session ensued after the inaugural function. The lectures were clear and the speakers demonstrated the use of the technology. The participants expressed their satisfaction about the programme and opined that it helped them to learn and sharpen their online teaching and learning skills.

A feedback was collected from the participants in which they were asked to rate the programme in a scale of 1 to 4, 1 represented 'Highly Inappropriate' and 4 represented 'Most Appropriate'. The ratings for the whole programme are as summarized below:

Feedback of Participants (%)

Majority of the participants have rated the contents of the programme; resource persons' expertise and technical aspects of the programme as highly appropriate. Nearly 97 per cent of participants expressed their willingness to participate in similar programmes in the future which is indicative of the success of the programme.
