## INTRODUCTION

The Karnatak University was established initially at Mumbai in 1949 and subsequently the location was shifted to Dharwad in 1950. The University covering an area of more than 888 acres stands atop the hill called 'Chotamahabaleshwar'. The University has its own ambience with a sylvan setting. The growth in the number of departments to as many as 48 has made the campus look small, in its sixty four years of historic existence. The University covering the four districts of north Karnataka has three more campuses at Karwar, Gadag and Haveri.

The main Library, known as Prof. S. S. Basavanal Library, is housed in a spacious building and has more than four lakh volumes on its shelves and hundreds of research journals, both national and international. The UGC - INFONET programme gives direct access to more than 5000 e-journals. The United Nations Depository Centre is a beehive for researchers specializing in the international studies. The constituent Colleges have their own libraries stacked with volumes of repute. The Law College library is also worth mentioning for its collections of AIRs. Many Specialised departmental libraries are functioning, viz.:

1. Kannada Research Institute library with manuscripts, rare books and journals on arts, culture, epigraphy, history, languages and literature is unique and a boon to students of Arts, Epigraphy, Archaeology and Ancient History.
2. The Library of the Institute of Kannada Studies contains manuscripts, books and journals on culture, folklore and comparative literature.
3. A Library is also functioning in the Department of Marine Biology, Kodibag, Karwar.
4. The Library of Kausali Institute of Management Studies caters to students and researchers of management.
5. The Library in Chemistry Department has a huge collection of rare and research journals, which are being used by teachers and research scholars of our university and also the nearby universities and colleges. The collection of Chemical Abstracts is worth mentioning.

There are two museums related to art, archaeology and folklore consisting of rare manuscripts, coins and artifacts. Biological museum is now placed in an independent building. They provide crucial information for students and research scholars.

The special training facilities provided by the University for talented students seeking admission to all India Institutes aspiring for a career in the Civil Services as well as for NET/SLET examination are boon to the students. Separate coaching programmes for students belonging to Scheduled Castes and Scheduled Tribes and for the Minorities and other Backward Classes are conducted by the University. The University possesses its own printing press and publication cum extension wing. The University publishes two journals entitled "Karnatak

Bharathi” and “Vidhyarthi Bharathi” in Kannada which provide outlet for research work and publications of the staff, research scholars and students. A Social Science and Science journal each are also being regularly published. The teachers and research scholars actively publish their research in journals of repute.

The University has schemes to foster research through scholarships and fellowships. Numerous students have received Research Fellowships for to do research towards Ph.D. degrees. During the year 2013-14, 285 Scholars have been awarded Doctoral Degrees.

With pride and pleasure, it is submitted that -

1. The University has been awarded the coveted “University with Potential for Excellence (UPE)” status by the UGC with a grant of Rs.50 crores which will enhance the teaching and research facilities and other infrastructure on the campus.
2. 10 departments have received financial assistance of over Rs. 1000 lakhs for strengthening research and infrastructure under UGC-SAP programmes, of which an amount of Rs. 250 lakhs to develop the infrastructure, has been received.
3. This many faculty members have received financial assistance for their research proposals from various funding agencies like UGC, DST, DBT INCOIS, IUAC, ICSSR, Govt. of Karnataka etc.
4. DST has sanctioned a special research incentive grant of Rs. 9.00 Crores under Promotion of University Research and Scientific Excellence (PURSE) Scheme.

In addition to regular departments, the University has the centres for Ambedkar and Gandhian Studies, the Basava Peetha, the Vemana Peetha, Kanaka Peetha and Swami Vivekananda Peetha. Apart from these, there is Zakir Hussain Study Centre and Hazarath Tipu Sulthan study centre. The UGC Academic Staff College regularly conducts orientation and refresher courses for teachers, always emphasizing an inter disciplinary approach.

The Prasaranga, meant for popularizing literature, culture and science through lectures and publications has made considerable progress during the year. The extension lectures have been very well received as in the past.

The SC and ST Cell has been looking after the welfare of the SC and ST students. Apart from this, Category-I cell and Minorities and Other Backward Classes Cell are also functioning established to cater to the needs of students from the disadvantaged sections.

The annual convocation of the University was celebrated on 25-03-2014. Padmabhushan Prof P. Balaram was the Chief Guest. Honorary degrees were conferred for 9<sup>th</sup> dignitaries on the occasion. They are :

***“ A University stands for humanism, for tolerance, for reason, for the adventure of ideas, for the search, for the truth. It stands for the onward march of the human race towards evenhigher objectives. If the Universities discharge their duties adqutely then it is well with the nation and the people.”***
