21		Program Outcomes [POs]
		1. French is one of the main international languages, spoken widely over the globe, hence it is advantageous for the learners to do post-graduate course in French for their bright future prospects.  2. In depth knowledge of French studies would increase the employability of the students in the multi-national corporate world.  3. Knowledge of French culture, literature and civilization among the students, results in better understanding of the language and linguistic aspects of its people, thereby enhancing interculturality and plurality of co-existent identities.  4. The study of 'Francophonie' and Francophone literature exposes the students to varied cultural identities which share a common communicational medium, viz. French and its varieties.  5. The students get academically empowered by the study of Vocational French, Translational studies and French Linguistics which facilitates better employability not only in the domestic scenario but also in international market.
		Program Specific Outcomes [PSOs]  1. The knowledge of French and Francophone literature and Teaching skills of French Methodology embedded in the program, enables the students to take up teaching profession in schools, colleges and universities.  2. The M.A. program which contains the aspect of Vocational French, prepares the students to take up professions in the business sectors and corporate fields, both at national and international levels.  3. The M.A French graduates having studied Translational theories and practices are well equipped to take up professional translations of various kinds: technical and literary. This post-graduate program also enables the students to procure jobs in the fields of journalism and information technology. They could also take up research studies at higher levels, like comparative and interdisciplinary studies.
2020-21	Ph.D. program	Ph.D. program: Course Code PH38  Program outcomes [POs]  1.To equip oneself with doctorate degree to take up teaching work and other advanced responsibilities in the French embassies all over the world and in international corporate sectors.  2.To acquire enough research experience in order to take on various research studies such as comparative studies, inter-disciplinary and multi disciplinary research studies.
