CIRCULAR

SUBJECT: Adoption of **Unnat Bharat Abhiyan** Program in Universities & Degree Colleges in 17 Districts of North Karnataka.

UNNAT BHARAT ABHIYAN as foreseen by Gandhi Ji in his seminal work, 'Hind Swaraj', the western developmental paradigm, based on centralized technologies and urbanization, has given rise to serious problems like increasing inequity (leading to crime and violence), and climate change due to rapid ecological degradation. To ameliorate these problems, it is necessary to promote development of rural areas in tune with Gandhian vision of self-sufficient 'village republics', based on local resources and using decentralized, eco-friendly technologies so that the basic needs of food, clothing, shelter, sanitation, health care, energy, livelihood, transportation, and education are locally met.

The program was formally launched by the Ministry of Education (MoE) (formerly Ministry Human Resource Development (MHRD)) in presence of The President of India on 11th November, 2014. IIT Delhi has been operating as National Coordinating Institute (NCI) currently.

Vision: Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.

Mission: The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

Hence, it is informed to all the degree Colleges including Engineering, Medical, Law, etc to adopt the UBA program and be a responsible partner in implementation of UBA Program in India. All the Colleges are advised to apply for UBA Program online by visiting UBA official website unnatbharatabhiyan.gov.in.
