Draft Regulations with Semester System

**For the
Post Graduate Diploma Programme in
Women's Studies (PGDWS)
at
Karnatak University**

w.e.f. 2022-23

Preamble:

The University education system should be student-centric and must offer multiple avenues to develop knowledge and skills. The traditional UG or PG Programmes provide knowledge with little skill. The yawning gap between what is demanded by the society and industry and knowledge and skills imparted by traditional degrees is filled by the educational programmes like certificate, diplomas, advanced diplomas, PG Diplomas etc. These can be synchronized with the National Skill Qualification Framework (NSQF) for level -5, level- 6, level -7 and level 8 respectively.

Moreover, these are knowledge specific, skill specific and student centric programmes, which equip the pupils with necessary where withal to perform effectively. The P.G. Departments have a principal responsibility of developing and encouraging students to update themselves with such programmes to become employable after graduation.

The Karnatak University, being a torchbearer in higher education in North Karnataka in particular and in Karnataka State in general offers multiple P.G. Diplomas, Advanced Diplomas, Diplomas and Certificate programmes, for the benefit of students to enhance their skills or inculcate skills. These programmes should have common regulations relating to course structure, admission, examination and declaration of results. The present regulations aim to achieve these avowed objectives of ensuring uniformity and commonality and are developed to operationalize the running of these programmes. The P.G. Diplomas, Advanced Diplomas, Diplomas and Certificate courses are regular programmes and students will study these programmes along with their regular UG/PG Programmes to active the knowledge and skill simultaneously. Hence the regulations for such P.G. Diplomas, Advanced Diplomas, Diplomas and Certificate courses operating simultaneously with regular PG/UG programmes or even otherwise also.
