- To sustain and promote excellent research, development and extension activities by the teachers so through creating state-of-the art infrastructure.
- Enabling the teachers and students to be partners in ongoing R & D activities.

About Planning, Monitoring and Evaluation Board (PMEB)

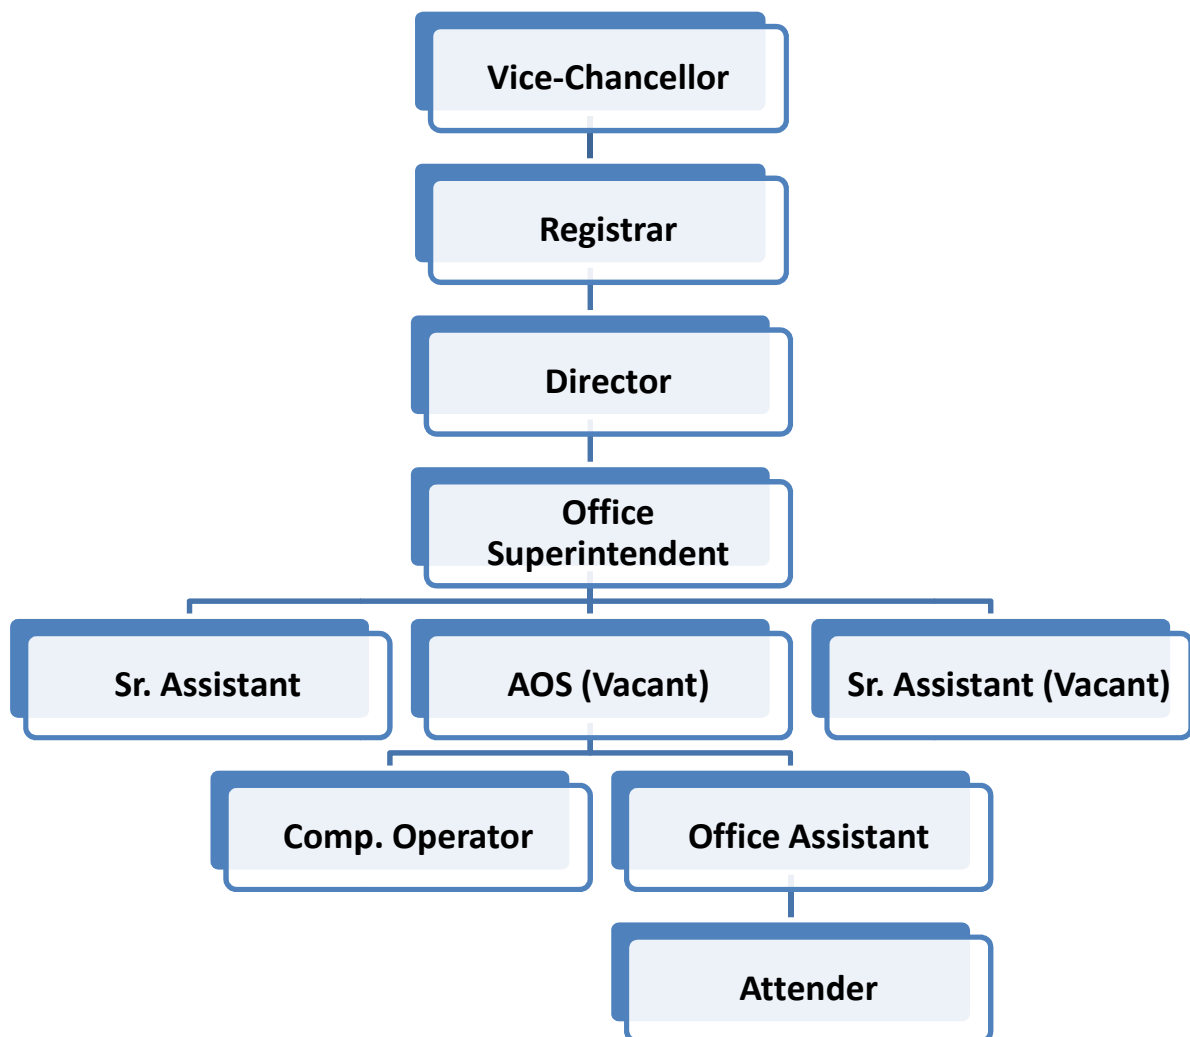

The Planning, Monitoring, and Evaluation Board (PMEB) is a Statutory administrative unit of the University established in the year 2014 as per the provisions contained in section 35 of the Karnataka State Universities Act, 2000. As per the KSU Act, the main objectives of the PMEB are to plan academic and research programs, interdisciplinary activities; and to interact with external agencies for academic, research, training, and related extension activities. The Board also oversees various research programs and ensures the planning of financial resources of the University through receiving grants from different international, national, and state agencies and schemes. The Development Section of the University comes under the direct control and supervision of the PMEB directorate.

The PMEB has the responsibility for the effective utilization of human resources in the University system. It helps the University in fund allocation, fund mobilization, and streamlining of the scholarship/fellowship disbursement. The PMEB focuses on sustaining and promoting excellence in research, development, and extension activities by the teachers through developing state-of-the-art infrastructure and facilities on campus. The PMEB Director is an independent, full-time officer and a member of the Academic Council vide Section 30(1)(xiv) of the KSU Act.

For the administrative convenience the section has the following subsection dealt / managed by a separate faculty.
